

Official distributor for Belgium & Luxembourg

Kalmthout, February 10, 2009.

To whom it my concern

Dear,

Pierre-Jean de Stexhe is known as a very enthusiastic Segway owner who overcomes his mobility difficulties on a great manner.

Last year he was successfully Segwaying the European Pyrenees and for 2009 he will cross the USA from north to south.

Please give Pierre-Jean all support you can; lets help him to make his dream come thru!
Thanks for your support.

Loek van der Poel
