Louvain-la-Neuve, January 28th 2009

Dear Madam, Dear Sir, Dear Colleague,

It is with deep joy that I put my shoulder to the wheel of Pierre-Jean de Stexhe's tremendous initiative, like I did last year.

Pierre-Jean and his friends are, or were students at the Catholic University of Louvain (UCL) in Louvain-La-Neuve of which I am the parish priest. I have been a friend of Pierre-Jean de Stexhe's father for more than 30 years. Do I need to say how close himself, his family and his relatives are close to me ! With this note, I would like to encourage you to welcome Pierre-Jean and his friends or find a family who could accommodate them. You can find all the necessary information on their website. I am nonetheless at your disposal via email or telephone for any further information.

I am sure that our brotherhood can work miracles and it stands to reason that I am committed to doing you the same service, if needed.

Yours faithfully,

Abbot Pierre Hannosset
Parish Priest of Louvain-La-Neuve
