Concerning : recommending letter for SEGWAY INC.

We are a new company in Belgium, renting and selling Segways. (SEGWAY NAMUR Belgium)

We have rented a Segway to Mr. DE STEXHE Pierre-Jean for few days, so we can say he's a serious man.

Before renting the Segway i2, we didn't ask him any guarantee.

The Segway i2 returned back to our company was in very good conditions.

So he has our complete trust.

Mr.DE STEXHE and friends have planned to cross the middle of USA with Segways and we believe that's a good advertising for SEGWAY INC.

He has proved the reliability of Segways TP last summer, crossing the south of France and now, he's a reference for Segway's dealers...

It could be better if he follows this idea and we hope he'll enjoy SEGWAY INC.'support and give us a very good advertising...
