

Tuesday 8th July 2009
Lit et Mixe

Stay was more complicated than expected due to some problems with your trailer. But we deeply appreciated the way you overcame this ordeal. We were also charmed by your brilliance, your courage, your balance in language, your kindness and the friendly relationship between the two of you.

We wish you to realize your projects, and have a good trip, even if your journey has to be changed a bit.

Ivan,
Christine,
Marie-José
